

**Over the past 5 years, God has blessed me far more than I could have ever imagined. A solid relationship with Him, Nanette and Kanyon. I would have never thought 5 years ago, I would have an awesome marriage and the coolest kid ever. God has shown me more favor than I deserve.**

**God has also blessed me here at Bay Area. I have been given some strong friendships, all of which I will cherish as I move on. This morning, I share with you that I have resigned as the Student Pastor. I will be moving on to another ministry. I'm not sure where, but God will reveal that as soon as I'm ready.**

**My prayer for you and this church is simple. It is said every time I leave our students...You may be the only Jesus someone sees. I say that this morning, because your life matters. It counts. God wants to use you, if you are willing to make a splash for His kingdom. God wants to see this community, this church, become more like him.**

**Thank you for the great memories. Thank you for partnering with us to make a splash in the lives of students. Thank you for allowing us to share our lives with you.**

**Be Blessed,**

**Aaron VanCampen**
